## **ASIAN PACIFIC ADVENTURES**

### **INSURANCE RELEASE FORM**

**Dear Traveler:**

Now that you have arranged your trip with Asian Pacific Adventures, it is time to protect your investment. Smart travelers recognize the need to protect their health, property and trip payments.

Sometimes unexpected circumstances can arise. A sudden emergency just before or during your trip could spoil your vacation. If you had to cancel or interrupt your trip, would your vacation money be refundable? Could you handle a medical emergency in a foreign country? What would you do if you arrived in Beijing only to find that your luggage went to Singapore?

These and similar situations do not have to ruin your trip and deplete your resources. As your adventure operator, we feel it is our responsibility to make you aware of travel protection insurance. We **strongly recommend** that you *purchase trip cancellation / accident / baggage insurance*; the cost is minimal for the important protection you receive. We feel that the enclosed brochure offers one of the best and most comprehensive policies in the industry. Please review the brochure carefully and return the enrollment form directly to the insurance company and/or contact them at their toll free number with any questions you may have.

We at Asian Pacific Adventures want to do whatever possible to make your trip more enjoyable and trouble free. Whether or not you choose to enroll in the program we offer, please complete the following and return this letter to our office with your final payment.

**Note:** *We cannot release final documents until we have received this signed acknowledgement.*
